Membership (Anthony Jones)

Moved to accept: Leonie Sinclair

Seconded: Madeleine Fogarty

Accepted: Passed

Madeleine Fogarty made the suggestion for a marketing push, challenging new members to join GANZ including student members.

Anthony Jones cited the need for more Professional Development as well as Admin support to decrease the load on council members and to increase communication. He stated that council roles are quite onerous and additional support for council members will enable more movement. He also has ideas for marketing but it was agreed that is not the forum for further discussion re this. All matters raised are for the incoming council to address, including Clare Mullen's suggestion that other members may step up and support.

A motion was put by Alan Meara re changes to the Constitution to remove errors or rephrase certain clauses. These changes relate to Clauses 13.1, 21.4 and 21.5. They were circulated to the membership as below:

In Clause 13.1 replace text describing out of date postal service communication methods for advising of notices of meetings with 'cause to be sent to each member a notice by electronic means as determined by Council, stating the place, date and time of the meeting and the nature of the business to be transacted at the meeting.'

In Clause 21.4 remove the reference to non existent clauses by deleting 'to 21.7 (inclusive)'. Add 'and Territories' after 'States' in clause 21.4 in terms of conference locations.

In Clause 21.5 remove reference to non existent clauses by deleting 'Clause 21.6 and 21.7, with'. This Clause allows for wider flexibility but is tied to a Special Resolution.

Moved to accept: Alan Meara

Seconded: Leanne O'Shea

Accepted: Passed

A motion was put by Anthony Jones to amend the Constitution to add flexibility to the number of councilors. This change related to Clauses 20.2 and 20.5 and it was circulated to the membership.

20.2 Subject to Clause 20.3 the Council shall consist of the following office bearers:

- (a) President*
- (b) Vice-President*

In addition, there shall be nominally 5 other councillors, with roles specified before or at an AGM according to contemporary circumstances."

General discussion:

Madeleine Fogarty raised the matter that liaison with PACFA is not a formal position on council and should be added as a council Chair.

Madeleine further stated that should this occur, she and Jelena Zeleskov Djoric would offer support. This suggestion was supported by Annie Garrety.

Leanne O'Shea responded and suggested this is a matter for the new council.

Madeleine went on to acknowledge the work of Jelena Zeleskov Djoric on council and on behalf of council at PACFA.

Jelena Zeleskov Djoric noted that she is stepping down from her shared role as the International Chair and acknowledged Eric Houghton for the work he has done in partnership with her.

She suggested the connection with GAND should be discussed by the new council.

Madeleine Fogarty thanked Leanne O'Shea for her work as Acting President of the council.

Gabe Phillips expressed appreciation of the work of the outgoing council and of Leanne O'Shea's stepping in as Acting President.

The meeting closed at 8.15pm.
